“Serving Our Commonwealth”

- Program** **Module 1: “LEPCs in Kentucky”**
Notes: **Module 2: LEPC Grant Applications**
 Module 3: Emergency Planning Guide for EHS Facilities
 Module 4: Tier2 / EHS Plan Validation Exercise

Purpose (Module 1):

This course is designed to provide students with an understanding of the history, composition and responsibilities of the State Emergency Response Commission (SERC) and Local Emergency Planning Committees (LEPC) and how these organizations are established in Kentucky.

Target Audience (Module 1):

This course is designed for current and prospective LEPC members, personnel from facilities with hazardous materials, and all citizens with an interest in Community Awareness and Emergency Preparedness.
