The Great
Central U.S.
**Shake
Out**TM

February 7, 2012 -- 10:15 a.m. CST

The Great Central U.S. ShakeOut Drill, to be held in 2012, will be the largest earthquake preparedness event in central U.S. history. Go to www.shakeout.org/centralus to participate and to pledge your family, school, business, or organization's participation in the drill. Registered participants will receive information on how to plan their drill and how to create a dialogue with others about earthquake preparedness. All organizers ask is that participants register (so they can be counted and receive communications), and at the minimum practice "drop, cover, and hold on" at the specified time.

It is only a five minute commitment for something that can save your life.

It all begins with registering, which is free and open to everyone.
