

Printing instructions 8.5 x 11 Version:

Set printer to print front & back

Print on standard 8.5" x 11" paper

Print all pages – calendar exits printer with pages in correct stapling order

Lay flat, front cover down

Staple through the three lines marked staple

Punch a hole using the bold O on the front cover as a guide

(Skip this step with the coloring only book version)

Your calendar is ready to color and hang!

Printing instructions 11 x 17 Version:

Set printer to print front & back

Print all pages

Lay flat with cover up (works best on something soft: carpeted floor or padded seat)

Open hand stapler and staple through the three lines marked staple

Flip calendar and bend staples over (be careful staples are sharp)

Fold pages in half like a big booklet

Close calendar

Punch a hole using the bold O on the front cover as a guide

(Skip this step with the coloring only book version)

Your calendar is ready to color and hang!
