BOONE NATIONAL GUARD CENTER
FRANKFORT KY 40601-6168

**Introduction to Incident Command System
(IS-100)**

October 11, 2012

Walton National Guard Armory
183 Beaver Road
Walton, Ky 41094

Offered by:

Kentucky Division of Emergency Management (KyEM) Region 6

Course Description:

ICS 100, Introduction to the Incident Command System, introduces the Incident Command System (ICS) and provides the foundation for higher level ICS training. This course describes the history, features and principles, and organizational structure of the Incident Command System. It also explains the relationship between ICS and the National Incident Management System (NIMS). There will be no training certificate provided. Students will have to take the FEMA on-line test for this course to receive a FEMA certificate. Instructions on taking the test will be provided during the class. **This one day course will begin at 8:00 am.**

Student Criteria:

This course is open to all Emergency Management, Rescue, Fire, Emergency Medical, and Law Enforcement personnel or other organization having responsibility for incident management. Pre-requisites for this course include ICS 700 and 800. **This office will need a copy of your certificates before the beginning of class.** You may upload them at the Registration page or fax them to the number below.

Special Notes:

A MINIMUM number of **twenty (20)** advance student registrations is REQUIRED and must be received by **Thursday, September 27, 2012** in order to conduct this course. You are considered accepted as a student in this class upon receipt of your application so you will not receive a letter acknowledging that acceptance. Meals, lodging, and travel arrangements/expenses are the responsibility of the student and will *NOT* be reimbursed by KYEM.

Registration:

Registration application for the course can be completed using the following link: www.kyem.ky.gov/training and click on register. Students will be notified if the course is cancelled. For this reason, it is imperative that you provide accurate contact information.
