| 0930-1025 | HAM communications (WINLINK) | Amateur radio | |
| 0930-1025 | ACU equipment interoperability training | JPS | |
| Break between classes | | | |
| 1030-1130 | State interoperability / OEC training Classes | State Police /EM | |
| 1030-1130 | HLS Grant process / Public Safety Network | HLS / FirstNet | |
| 1030-1130 | HAM communications (WINLINK) | Amateur radio | |
| 1030-1130 | ACU equipment interoperability training | JPS | |
| 1130-1230 | Lunch | | |
| 1230-1325 | State interoperability / OEC training Classes | State Police /EM | |
| 1230-1325 | HLS Grant process / Public Safety Network | HLS / FirstNet | |
| 1230-1325 | HAM communications (WINLINK) | Amateur radio | |
| 1230-1325 | ACU equipment interoperability training | JPS | |
| Break between classes | | | |
| 1330-1430 | State interoperability / OEC training Classes | State Police /EM | |
| 1330-1430 | HLS Grant process / Public Safety Network | HLS / FirstNet | |
| 1330-1430 | HAM communications (WINLINK) | Amateur radio | |
| 1330-1430 | ACU equipment interoperability training | JPS | |
| Break between classes | | | |
| 1435-1505 | TBD | | |
| 1435-1505 | emergency response | SPRINT | |
| 1435-1505 | Satellite used for emergency response | IPACCESS | |
| Break between classes | | | |
| 1510-1540 | TBD | | |
| 1510-1540 | emergency response | SPRINT | |
| 1510-1540 | Satellite used for emergency response | IPACCESS | |
| Break between classes | | | |
| 1545-1615 | TBD | | |
| 1545-1615 | emergency response | SPRINT | |
| 1545-1615 | Satellite used for emergency response | IPACCESS | |
| 1615-1730 | Equipment troubleshooting and visiting | | |
| 1730 | End of Day | | |
| 1800-1900 | Special interoperability night class | State Police | Pikeville Only |
| Day 2 | | | |
| 0800 -0820 | Day 2 overview instruction | | Radio programming throughout the day |
| Command post communication testing. Test will validate communications from Vehicles and Trailers | | | |
