FEMA

DRRA 1206, Code Administration and Enforcement amended Sections 402 and 406 of the Stafford Act

- **Section 402:** “Provide assistance to state and local governments for building code and floodplain administration and enforcement, including inspections for substantial damage compliance”
- **Section 406:** “...base and overtime wages for extra hires to facilitate the implementation and enforcement of adopted building codes for a period of not more than 180 days after the major disaster is declared.”

Policy Goals and Implementation Timeline

- **Increase Overall Speed of Recovery** through new resources and means of assistance to complete post-disaster activities (building inspections, permit application reviews, substantial damage assessments, etc.)
- **Enhance Compliance** with state and local building codes and floodplain management ordinances by providing additional resources to carry out their required post-disaster activities

FEMA

DRRA 1206 Policy Overview

- The policy has an effective date of **November 1, 2020**.
- The policy applies retroactively to major disaster declarations declared on or after August 1, 2017.

Prior to August 1, 2017	 Not Eligible	Not eligible for reimbursement under DRRA Section 1206
August 1, 2017 – November 1, 2020	 Eligible	Eligible costs will be reimbursed under the provisions of this policy, provided the applicant notifies FEMA of its intent to seek reimbursement within 90 days from the RSM or 90 days from the policy effective date.
November 1, 2020 – Present	 Eligible	Eligible costs will be reimbursed under the provisions of this policy

- Funding is limited for 180 days after the disaster declaration.

FEMA

DRRA Resources for State, Local, Tribal, and Territorial (SLTTs) Governments

DRRA 1206 authorizes FEMA to provide SLTTs with resources needed to effectively administer and enforce adopted building codes and floodplain ordinances

Building Code Administration (review and process building applications; collect fees; hire, train, supervise staff; etc.)

Code Enforcement (inspect structures; review elevation certificates; conduct and process condemnation determinations; etc.)

Floodplain Management Regulation, Administration, and Enforcement (hire, train, supervise staff; provide training; process permits; etc.)

Substantial Damage Operations (conduct field surveys; prepare cost information; perform inspections; etc.)
