

Work Eligibility Considerations: All Facilities			
Chapter 8:IX.F, Landslides and Slope Stabilization	Landslides and Slope Stabilization	Facilities damaged due to a landslide or slope instability triggered by the incident.	
Chapter 7:II.V, Temporary Relocation of Essential Services	Temporary Relocation	Certain essential community service facilities.	

Work Eligibility Considerations: Roads and Bridges				
Road (including surface, base, shoulders, roadside ditches, guardrails, lighting, signage, sidewalks, etc.), drainage structure (culvert, low-water crossing), bridge (including, but not limited to, decking, pavement, piers, girders, abutments, slope protection, approaches, guardrails, lighting, signage, sidewalks), EHP laws, regulations, and executive orders (EOs) that frequently apply: NEPA; NHPA, ESA, CWA, CAA, EOs 11988 and 11990; projects involving work in waterways usually require Section 404 permits – permits issued by the USACE as required by the CWA.				
PAPPG Reference	Category	Eligible Work (including, but not limited to):	Ineligible Work and Costs	Other Considerations
Chapter 7:I	A	Debris removal and disposal to eliminate an immediate threat	<ul style="list-style-type: none"> ○ Removal of debris placed on public ROWs from commercial properties unless pre-approved by FEMA ○ Removal of materials related to the construction, repair, or renovation of either residential or commercial structures 	Must distinguish between incident-related debris versus debris generated by other recent events.
Chapter 7:II.J	B	Emergency access If the extent of damage or blockage makes these areas inaccessible, work related to providing access is eligible.	<ul style="list-style-type: none"> ○ Removal of debris from a privately-owned access facility UNLESS no other access point exists, and damage or debris impedes emergency access. ○ Emergency repairs to privately-owned roads UNLESS no other access point exists, damage impedes emergency access, and repair eliminates temporary housing needs. ○ This includes clearing debris from or conducting emergency repairs to an access facility, such as a road or bridge. ○ Eligible work is limited to that necessary for the access to remain passable 	The Applicant must complete all necessary legal processes or obtains rights-of-entry and agreements to indemnify and hold harmless the Federal Government.
