

## PRIVATE NON-PROFIT ORGANIZATION CERTIFICATION

This is to certify that:

1. \_\_\_\_\_ is seeking Federal Disaster Assistance under PL 93-288 as a private non-profit organization and meets the requirement outline in Section 402 (b) of PL 93-288.
2. The above-name organization has been granted tax exemption by the Internal Revenue Service (IRS) under Section 501 (c), (d), or (e) of the Internal Revenue Code of 1954, as amended, or that it is a non-revenue producing organization or entity and is a non-profit one organized or doing business under State law. (Attach copy of current letter of opinion from the State.)
3. The above-named organization has the necessary permits and licenses to repair, restore, reconstruct or replace the facility in accordance with the project application and to maintain and operate the facility thereafter.
4. The above-name organization will conform with all applicable codes, specifications, and standards during the performance of restorative work.
5. The above-named organization owns the damaged facility, and in the case of real property, has or will have a title or fee simple or such other estate or interest in the site, including necessary easements and rights-of-way, sufficient to assure for a reasonable period of time undisturbed use and possession for the purpose of the construction and operation of the facility.
6. The facility will continue to be operated in such a manner as to maintain either tax exempt status granted under the Internal Revenue Code or the non-profit status under State law during the normal anticipated useful life of the restored facility or the useful life of the restorative work, whichever is lesser.
7. The above-named organization will maintain adequate and separate accounting and fiscal records which account for all funds provided from any source to pay the cost of the project, and permit audit of such records and accounts at any reasonable time; and that claims for Federal reimbursement do not duplicate funding provide from any other source.
8. The above-named organization will provide and maintain competent and adequate architectural or engineering supervision and inspection at the construction site to insure that the complete work conforms with the appropriate plans and specifications.
9. Adequate financial support will be available for maintenance and operation when completed.
10. Insurance required by PL 93-288 and Federal Disaster Assistance Regulations will be obtained and maintained.
