Local Emergency Management Director Training April 17-21, 2023

State Emergency Operations Center (SEOC)
110 Minuteman Parkway, Frankfort, KY 40601

Course Description

The Kentucky Division of Emergency Management (KYEM) will provide to newly appointed and experienced local emergency management professionals a basic understanding of, and updates on, Emergency Management statutes and regulations, the operation of KYEM branches, and ancillary support programs available to aid local emergency management personnel. The primary focus of this course is to provide training to new County Emergency Management Directors and Deputy/Assistant Directors. If the available number of seats in the course are not filled by new appointees, the remaining class seats may be filled by veteran County Emergency Management Directors, Deputy Directors, other emergency management staff, and volunteers. All students should have completed the online IS-700, IS-800, IS-100, and IS-200 courses prior to attending this training. Copies of course completion certificates must be provided no later than the first day of class to the training POC listed below.

Students will receive training and education on the basic principles needed to operate their local emergency management office and will leave the training with a comprehensive understanding of the Emergency Management organization at the local, state, and federal levels.

Special Notes

A minimum of 20 pre-registered students required, with a maximum number of 40 students for the course. The course begins at 8:30 A.M (Eastern) on April 17th. A course outline will be emailed to accepted participants. Students should wear comfortable, business casual clothing. There are no outdoor activities associated with this course. Meals, lodging, and travel expenses are the responsibility of the student and will not be reimbursed by KYEM.

STUDENTS MUST ATTEND ALL SESSIONS TO RECEIVE A CERTIFICATE OF COMPLETION.
