**DATE:** April 18<sup>th</sup>, 2020

**LOCATION:** First Baptist Church Cold Spring  
4410 Alexandria Pike  
Cold Spring, KY 41076

**TIME:** 8:00 AM - 5:00 PM

**COURSE DESCRIPTION:**

This eight (8) hour, planning and management level course trains faith-based community organization (FBCO) representatives, emergency managers, and first responders from communities to strategically mobilize and engage members of FCOB's including religious charities, nonprofits such as Salvation Army, American Red Cross, churches, temples, synagogues, mosques, and NGO's in a reciprocal approach to disaster planning that is integrated into current local and statewide emergency management efforts.

This course emphasizes grassroots mobilization and coordination efforts as a means of engaging all faith communities, thereby reaching those marginalized communities most vulnerable to disaster, most frequently excluded from the planning process, and ultimately, most difficult to aid in recovery. This course introduces vital emergency management concepts to FBCO leaders, many of who will have had no prior experience with emergency management and also seeks to educate emergency managers and first responders about the role FBCO's can play in strengthening preparedness.
