Course Description

ICS400 is intended to serve as a vehicle to share proven incident management strategies and practices as well as to enhance teamwork and coordination among all response agencies' officers directly responsible for emergency response to a WMD/terrorism incident or other "Incident of National Significance". The course is specifically intended for those emergency response personnel who have duties that require that they be directly involved in incident management or command at either a "field" Incident command post (ICP) or in a city, county, or regional emergency operations center (EOC). **Course work will begin at 8:00 a.m. and end at 6:00 p.m. CDT each day.**

Student Criteria

This course is open to all Emergency Management, Rescue, Fire, Emergency Medical, and Law Enforcement personnel or other organization having responsibility for incident management. Pre-requisites **ICS100, 200, 300, 700 & 800**. Copies of these course completion certificates must be provided on or before beginning of class. You may scan and email to the contact below.

Special Notes

A MINIMUM # of twenty (20) advance student registrations is REQUIRED and must be received by **April 4th, 2020** in order to conduct this course. You are considered accepted as a student in this class upon receipt of your application so you will not receive a letter acknowledging that acceptance. Meals, lodging, and travel expenses are the responsibility of the student and will *NOT* be reimbursed by KYEM.

Registration

Registration application for the course can be completed using the following link: www.kyem.ky.gov/training and click on register. When registering, please use proper name as you would like it to appear on the certificate. Students will be notified if the course is cancelled. For this reason, it is imperative that you provide accurate contact information.
