G-318 Local Mitigation Planning Workshop
August 13-14, 2024
Marion County Emergency Management
214 N. Harrison Street
Lebanon, KY 40033

Course Description:
This in-person, 2-day workshop covers the fundamentals of the mitigation planning requirements for communities to develop new or updated local mitigation plans that address community priorities and meet the requirements established in 44 CFR 201.6. This workshop describes the requirements for the planning process, stakeholder involvement, assessing risks, and developing effective mitigation strategies. Finally, the basic elements of the plan review, approval, and update cycle are discussed, including tips for implementing and maintaining an approved plan, tracking performance, keeping stakeholders involved, and preventing plans from lapsing or expiring. Class will begin at 8:30am EST and end approximately 4:30pm EST.

Student Criteria:
No prerequisites. Students should have an existing or potential assignment as part of the local government damage assessment or disaster recovery plan.

Special Notes:
