August 28, 2024

Pike County Emergency Management

172 Division Street – 4th Floor

Pikeville, KY 41501

Course Description

These are some of the benefits of an effective Rapid Needs Assessment. A good assessment will allow community leaders to prioritize response actions to have the greatest life-saving and life sustaining benefits. As resources will be limited on the local level during the first few hours of a disaster or emergency event, the Rapid Needs Assessment should allow for the effective use of resources. Likewise, it will allow local officials to request those resources that are not available locally and are needed to support life sustaining and life saving measures. **Class will start at 9:00 p.m. EST and will end at 5:00 pm EST.**
