## TRAINING ANNOUNCEMENT

**COURSE TITLE:** Response Planning for People with Access & Functional Needs  
(MGT 403)

**DATE:** December 5<sup>th</sup>, 2018

**LOCATION:** Campbell County Fire Training Center  
10 Training Center Drive  
Highland Heights, KY

**TIME:** 8:00 AM - 5:00 PM

**COURSE DESCRIPTION:**

This eight-hour course is designed to educate participants on the planning efforts needed to ensure the safety of those with functional needs, particularly those housed in assisted-living facilities and nursing homes during a crisis event. Because of their restrictions and gaps in community support, people with functional needs are at greater risk of injury and death during a crisis event. These people require specialized care, transportation, shelter, and medical needs that must be considered before the crisis occurs. This tuition free course will expose participants to the benefits of developing comprehensive emergency response plans for those most vulnerable during a crisis — the elderly and children, anyone with limited English proficiency, people with disabilities, and anyone from a minority culture. Other Topics include short- and long-term care, pet care, medication, and the need for specialized equipment and health care. The issue of responding effectively to individuals residing in assisted-living and nursing homes will be emphasized in lessons learned from various disasters.

**PARTICIPANT CRITERIA:**

The target audience is emergency responders, city government officials, county government officials, state government officials, non-governmental agencies, community leaders, health professionals, volunteers, local community groups, business and corporations with local presence, professionals from retirement, nursing, and assisted living facilities, and long-term care facilities.

**PERQUISITE:**

None

**SPONSORSHIP:**

This Course is sponsored by the Campbell County Office of Emergency Management and the Kentucky Office of Homeland Security. Delivered by the Rural Domestic Preparedness

Consortium. The **Rural Domestic Preparedness Consortium (RDPC)** was established by Congress and the U.S. Department of Homeland Security (DHS) to develop and deliver relevant all-hazards training in support of rural homeland security requirements. All training delivered by the RDPC is certified by DHS and offered tuition-free to the nation's emergency response community and associated stakeholders. This course is delivered by the **Northwest Arkansas Community College/Institute for Corporate and Public Safety (ICPS)**.
