CAMEO featuring - MARPLOT
February 22-24, 2022
8:00am – 5:00pm EST
Norton Commons Station
9514 Featherbell Blvd., Prospect, KY 40059
Course Description:

This is an interactive course designed to prepare emergency responders to instruct and/or understand the CAMEO suite of computer programs. The course provides an overview of the fundamental elements of the CAMEO suite of programs as they apply to WMD threats. It includes detailed information as well as hands-on practice of critical elements of the CAMEO system and its associated programs (ALOHA, MARPLOT, LandView, and Tier II Submit). To better understand how the programs interface, participants are provided opportunities to practice key CAMEO procedures that allow users to enhance planning and response activities associated with WMD threats. These exercises clarify the connections between the programs and how they can enhance emergency planning and response to WMD hazards activities. Class will begin at **8am and end at 5pm (EST)** each day.

Student Criteria:

This course is open to all Emergency Management, LEPC Members, Rescue, Emergency Medical, Environmental and Law Enforcement personnel or any organization having responsibility for mitigation of a hazardous materials incident.

Special Notes:

Advance student registration is **REQUIRED** and must be received by **Feb 1, 2022** in order to participate in this course. **MAXIMUM** # of student seats available is 30. You are considered accepted as a student in this class upon receipt of your application by this office so you will not receive a letter acknowledging that acceptance. All participants must register for their **FEMA SID** number by using the following link. <https://cdp.dhs.gov/FEMASID/> Meals and lodging are **NOT** provided to the student. Travel arrangements/expenses are the responsibility of the student and will **NOT** be reimbursed by KYEM

Registration:

Registration for the course can be completed using the following link: <http://kyem.ky.gov/training/Pages/HazMat.aspx> and click on register. Students will be notified if the course is cancelled. For this reason, it is imperative that you provide accurate contact information.
