### **Search and Rescue Crisis Intervention After a Traumatic Event for Search and Rescue Team Members January 23, 2021 State Wide Virtual Delivery**

#### **Course Description:**

This course is designed to provide training to prepare SAR Team Members, County SAR Coordinators, and other search managers on how to provide immediate psychological first aid and triage within their local communities after a disaster or traumatic incident. This course will provide virtual classroom instruction on intervention strategies designed to reduce initial stress caused by a traumatic incident. Entire course will be conducted in a web-based/virtual classroom environment. This course offers students opportunities to work in small groups to discuss potential events and solutions. Students will learn and practice the SAFER-R Model. The course will begin at 9:00am Eastern and end at 1:00pm Eastern on Saturday, January 23, 2021.

#### **Student Criteria:**

This course is open to all Search and Rescue Team members, County SAR Coordinators, and other Search and Rescue Managers. You must provide the name and address of your Search and Rescue Team at the time of registration in order to be considered for participation in the training. You must be at least 18 years old to register for the course.

#### **Special Notes:**

Advanced individual student registration is REQUIRED and must be received by January 21, 2021 in order to participate in this course. The course will be limited to the first 30 registered participants. Additional participants from a single location will not be allowed. If you are not registered, you will not receive credit for this course. Class participation will be electronically monitored. Students must participate in scheduled activities during the training. There will be an electronic examination at the end of the training and all participants must score a 70% or greater to pass this course. Students must also complete a course evaluation at the end of the training to receive a certificate of completion. No examinations will be administered to additional participants who are not registered. You are considered registered for this course once this office receives your electronic registration. Letters acknowledging registration will be sent to each confirmed participant. Course materials will be sent to all registered students the day prior to class.

#### **Registration:**

Register for the course using this link: <https://attendee.gototraining.com/r/2354533094621347074>. Students will be notified if the course is cancelled. For this reason, it is imperative that you provide accurate contact information. Once you are registered for the event, instructions for event participation along with student materials will be sent to you at the email address you have provided. Please make sure that email address is valid when you register.
