Intermediate ICS for Expanding Incidents (ICS-300) July 18-20, 2025 Logan County Search & Rescue Building 101 Thurston Drive Russellville, KY 42276

Course Description

ICS-300 is intended to serve as a vehicle to share proven incident management strategies and practices. Additionally, a goal of the class is to enhance teamwork and coordination among mid-level managers and command staff, particularly those directly responsible for emergency response to incidents of all types. The course utilizes scenarios and exercises to highlight key issues and facilitate discussion. The concluding tabletop exercise is intended to allow participants an opportunity to apply the information provided during the course in a controlled environment. **Class will run each day from 8:00 A.M. – 4:00 P.M. Central Time.**

Student Criteria

This course is open to all Emergency Management, Rescue, Fire, Emergency Medical, and Law Enforcement personnel or other organization having responsibility for incident management. **Pre-requisites include IS100, IS200, IS700 and IS800.** Copies of these four course completion certificates must be provided before the class to the POC listed below.
