# G-318 Local Mitigation Planning Workshop July 30 – 31, 2020

**Campbell County Fire Training Center  
10 Training Center Drive  
Highland Heights, KY 41071**

### Course Description

This in-person, 2-day workshop covers the fundamentals of the mitigation planning requirements for communities to develop new or updated local mitigation plans that address community priorities and meet the requirements established in 44 CFR 201.6. This workshop describes the requirements for the planning process, stakeholder involvement, assessing risks, and developing effective mitigation strategies. Finally, the basic elements of the plan review, approval, and update cycle are discussed, including tips for implementing and maintaining an approved plan, tracking performance, keeping stakeholders involved, and preventing plans from lapsing or expiring. Planners interested in attending or hosting field offerings of G-318 or other training should contact the appropriate FEMA Regional Office.

### Student Criteria
