Offered by
CSEPP Training and Exercise

Course Description
ICS400 is intended to serve as a vehicle to share proven incident management strategies and practices as well as to enhance teamwork and coordination among all response agencies' officers directly responsible for emergency response to a WMD/terrorism incident or other "Incident of National Significance". The course is specifically intended for those emergency response personnel who have duties that require that they be directly involved in incident management or command at either a "field" Incident command post (ICP) or in a city, county, or regional emergency operations center (EOC). The class will begin at 8:00a.m. EST and will conclude 4:00p.m. EST

Student Criteria
This course is open to all Emergency Management, Rescue, Fire, Emergency Medical, and Law Enforcement personnel or other organization having responsibility for incident management. Pre-requisites include ICS700, ICS800, ICS100, ICS200 and ICS300. Copies of these course completion certificates must be provided on or before beginning of class. You may email them to the POC listed below.

Special Notes
A MINIMUM of twenty (20) advance student registrations is REQUIRED and must be received by January 31, 2019 in order to conduct this course. You are considered accepted as a student in this class upon receipt of your application so you will not receive a letter acknowledging that acceptance. Meals, lodging, and travel expenses are the responsibility of the student and will NOT be reimbursed by KYEM.

Registration
Click here for registration: Kentucky Emergency Management CSEPP Training. Students will be notified if the course is cancelled.
