Course Description

This course provides local and state level emergency responders with a robust understanding of the duties, responsibilities and capabilities of an effective Logistics Section Chief (LSC) on an All-Hazards Incident Management Team (AHIMT). These responsibilities fall into two categories: responding to the incident and the command needs of the incident; and effectively fulfilling the position responsibilities of an LSC on an AHIMT.

This course is an instructor-led training that supports learning through discussion, lecture and active participation in multiple exercises that provides a realistic, scenario-driven approach to mastering the skills required of an OSC. Exercises, simulations, discussions and a final exam enable participants to process and apply their new knowledge.

Student Criteria

NIMS ICS All-Hazards training should be completed by personnel who are regularly assigned to Functional, Support or Unit Leader position types on Type 3 or 4 AHIMT's or by those persons who desire to seek credentials/certification in those positions. Pre-requisites include ICS 300, 400, IS 100.c, 200.c, IS 700.a and IS 800.c.

Special Notes
