HazMat IQ – First Responders Offensive March 18, 2020 - 8:00am-5:00pm (EST) Campbell County Fire Training Center 10 Fire Training Drive, Highland Heights, KY 41076

Course Description:

HazMatIQ First Responder Offensive training incorporates the “Above the Line /Below the Line” system, while instructing First Responders on safely entering the Hot Zone to attempt a rescue and/or preform recon of the event. This 8-hour course incorporates its own set of HazMatIQ Smart Charts, which aid in the decision making process, emphasizing the use of the Stay Alive Five Meters, found in the SAFe Kit (Radiation, multi-gas, temperature gun) and Reagent Papers (pH and F papers) to assure their safe entry into the Hot Zone.

- Train First Responders on the HazMatIQ FRO Smart Charts
- Provide training on transportation containers, for both highway and railway
- Provide training on the SAFe Kit. a. These meters provide valuable information for the entry team; evaluating the presence of flammable gases/vapors, oxygen concentration, temperature change, radiation and the life threatening presence of fluorine
- Trains responders to use the NIOSH Guide

Student Criteria:

This course is open to all Emergency Management, Rescue, Fire, Health, Environmental, Emergency Medical, Law Enforcement personnel or any organization having responsibility for a hazardous materials incident.

Special Notes:

Advance student registration is REQUIRED and must be received by **March 4, 2020** in order to participate in this course. MAXIMUM number of student seats available is 24. Meals, lodging, and travel arrangements/expenses are the responsibility of the student and will NOT be reimbursed by KYEM unless otherwise noted.

Registration:

Registration application for the course can be completed using the following link to the KYEM website: <http://kyem.ky.gov/training/Pages/HazMat.aspx> Students will be notified if the course is cancelled. For this reason, it is imperative that you provide accurate contact information.
