#### **Course Description**

This course is designed to give you the best techniques using a logical, practical, and effective approach to man tracking. Tracking is a valuable and effective method of enhancing the operation and management of any SAR situation. This course is a valuable tool to help each SAR responder become aware of tracks or signs and how to utilize your SAR and tracking techniques to quickly and efficiently find someone or something. The basics of tracking are broken down into simple, clear concepts that can be utilized by any SAR or law enforcement worker. Class will begin at 8:00a.m. EST and will end at 5:00p.m. EST each day.

#### **Student Criteria**

This course is open to rescue, fire, emergency medical, and law enforcement personnel or any organization having responsibility for searching for missing or lost persons.
