#### **Offered by:**

Kentucky Division of Emergency Management

#### **Course Description:**

This is the first comprehensive guide to urban search. It compares factors of an urban/suburban incident with wilderness search, including preplanning, search management, special investigation considerations, use of resources, and documentation. The student will learn how to: \* Understand your urban environment-residential, retail, business, industrial and/or recreational-and develop preplans accordingly. \* Conduct thorough investigations and interviewing-including training search personnel in door-to-door canvassing. \* Develop an accurate profile of the missing person using new urban specific data from the International Search & Rescue Incident Database (ISRID).

#### **Student Criteria:**

This course is open to all Emergency Management, Rescue, Fire, Emergency Medical, and Law Enforcement personnel or other organization having responsibility for incident management. Pre-requisites include Basic Search and Rescue. Copies of these course completion certificates must be provided on or before beginning of class. **Class will begin at 9 AM EST to 5 PM EST on both days.**

#### **Special Notes:**

A MINIMUM # of twenty (20) advance student registrations is REQUIRED and must be received by **March 6TH, 2023** in order to conduct this course. You are considered accepted as a student in this class upon receipt of your application so you will not receive a letter acknowledging that acceptance. Meals, lodging, and travel arrangements/expenses are the responsibility of the student and will NOT be reimbursed by KYEM.
