Offered by

USAF Auxiliary-Civil Air Patrol & Kentucky Division of Emergency Management (KYEM)

Course Description

ICS300 is intended to serve as a vehicle to share proven incident management strategies and practices as well as to enhance teamwork and coordination among the agency's mid-level managers and command staff directly responsible for emergency response to incidents of all types in which the Incident Command System (ICS) will be employed. The course utilizes scenarios and exercises to highlight key issues and facilitate discussion. The concluding tabletop exercise is intended to allow participants an opportunity to apply the information provided during the course in a controlled environment. Coursework will be from 8:00am to 4:00pm EDT each day.

Student Criteria

This course is open to all Emergency Management, Rescue, Fire, Emergency Medical, and Law Enforcement personnel or other organizations having responsibility for incident management. **Pre-requisites include ICS700, ICS800, ICS100 and ICS200.** Copies of these course completion certificates must be provided before the class. Copies of these course completion certificates must be emailed to the point of contact (POC) listed below, prior to the beginning of class.

Special Notes
