

The Kentucky Department of Public Health will be hosting:

L-0105 Public Information Basics
May 7-9, 2024
8:00 am- 5:00 pm EST
Christian County Health Department
1700 Canton Street
Hopkinsville, KY 42240

Course Description

To equip participants with the skills needed to be full or part-time PIOs, including oral and written communications; understanding and working with the media; and basic tools and techniques to perform effectively as a PIO, both in the proactive/ advocacy times and crisis/emergency response.

The learner must achieve a minimum passing score of 75% on final knowledge assessments or demonstrate mastery on performance assessments or research assignments to earn the IACET CEU.

Selection Criteria

The intended audience(s) are federal, state, tribal, territorial, local level, business and nongovernmental emergency management personnel who may be designated to fill the PIO position temporarily or for anyone seeking a better understanding of the PIO position. [IS-29.A: Public Information Officer Awareness](#) is a prerequisite to this class.

Please attach IS-29 certificates to the registration or forward to below email when registration is completed.

Special Notes

Registration will be limited to 30 students. Advance student registration is REQUIRED and must be received by May 1st, 2024. You are considered accepted as a student in this class upon receipt of your application. Students will be notified if the course is canceled. For this reason, it is imperative that you provide accurate contact information.

Registration

[Public Information Basics May 7-8, 2024](#)

FEMA Basic Academy: L-105 fulfills one of the five course requirements for FEMA's National Emergency Management Basic Academy (NEMBA). The five courses provide a foundational education in emergency management; the fundamental systems, concepts, and practices of cutting-edge emergency management.
