LEPC Responsibilities and Emergency Response Plans for EHS Facilities Workshop
May 29, 2019

State Fire Rescue Center
2001 Training Center Drive
Princeton, KY 42445

Offered In partnership by
Kentucky Division of Emergency Management (KYEM)

Workshop Description
This workshop provides active Local Emergency Planning Committee (LEPC) members with a brief understanding of required documentation submission through the Kentucky LEPC Dashboard, along with providing LEPC members and Facility Emergency Contacts (FEC) with a detailed understanding of the development of Extremely Hazardous Substance (EHS) Facility Emergency Response Plans. After completing this workshop, LEPC members should be able to successfully navigate and submit documentation thru the Kentucky LEPC Dashboard, and successfully develop and complete EHS Facility Emergency Response Plans in accordance with the EHS Facility Emergency Response Plan Checklist. SIGN-IN WILL BEGIN AT 8:30am. CLASS BEGINS AT 9:00am and ends at 4:00 pm.

Student Criteria
Students need to bring a laptop with LEPC Dashboard access and current Tier 2 data.

Special Notes
The workshop is open to a maximum of 20 students and registrations must be received by May 24, 2019, in order to conduct this workshop. Must have a minimum of 8 students registered to conduct workshop. Meals, lodging, and travel expenses are the responsibility of the student and will NOT be reimbursed by KYEM.

Registration
Workshop registration can be completed using the following link: www.kyem.ky.gov/training and click on register. Students will be notified if the workshop is cancelled. For this reason, it is imperative that accurate contact information be provided.
