

PER-355: Radiation Instruments Employment

Date : November 12, 2024 1pm-5pm

Location : Ballardsville Station #2

2414 West Highway 22 Crestwood, KY 40014

Registration : <https://form.jotform.com/233305742672051>

Course Description

- *PER-355 applies to both the Prevent and Response mission areas. This class uses a series of drills to reinforce the skills of Emergency Responders previously trained to use radiation detection instruments.*

Mission Areas

- Prevent

Prerequisites

Participants should have responsibility for the management or security of either facilities or jurisdictions impacted by local, regional, or interstate trucking and/or rail freight traffic. There are no specific course prerequisites, however, participants are strongly encouraged to complete incident management courses IS 100, IS 200, and IS700 before attending this course.
