### Rope Rescue Operations and Technician

**Frankfort Fire & EMS**  
**300 W. Second St.**  
**Frankfort, KY 40601**

**November 18-22, 2019**

#### Course Description

This 40 hour course is a technician level class. This class will include instruction on: knots, hitches, anchors, high point change of direction, friction devices, mechanical advantage, patient packaging litter management, edge management and ICS for roadside operations. This class will include more challenging over-the-bank rescue to progressively more vertical scenarios. Students learn and practice such skills as preplanning, size-up and scene management, ascending and descending, belaying, mechanical advantage systems, lowering and raising systems, patient packaging and litter attending, tethers, and high lines. Completion of this class satisfies the requirements in NFPA 1670 and also NFPA 1006. Students should be prepared to function in physically demanding situations and under stressful conditions. **Class will begin at 8:00a.m. EST.**

#### Student Criteria

This course is open to all Emergency Management, Rescue, Fire, Emergency Medical and Law enforcement personnel. In order to attend the technician portion of the training, the student must complete the operations portion of the training. In order to receive a certificate for the training, the student must attend both trainings.

#### Special Notes

A **MAXIMUM** of twenty (20) students are allowed and advance registrations must be received by **November 15, 2019** in order to conduct this course. You are considered registered for this course once this office receives your on-line application. Letters acknowledging registration will not be sent. Meals, lodging, and travel expenses are the responsibility of the student and will **NOT** be reimbursed by KYEM.

#### Registration

Registration application for the course can be completed using the following link: [www.kyem.ky.gov/training](http://www.kyem.ky.gov/training) and click on register. Students will be notified if the course is cancelled. For this reason, it is imperative that you provide accurate contact information
