Course Description

ICS400 is intended to serve as a vehicle to share proven incident management strategies and practices as well as to enhance teamwork and coordination among all response agencies' officers directly responsible for emergency response to a WMD/terrorism incident or other "Incident of National Significance". The course is specifically intended for those emergency response personnel who have duties that require that they be directly involved in incident management or command at either a "field" Incident command post (ICP) or in a city, county, or regional emergency operations center (EOC). Class will start promptly at 9:00a.m. EST and end at 5:00p.m. EST.

Student Criteria

This course is open to all Emergency Management, Rescue, Fire, Emergency Medical, and Law Enforcement personnel or other organization having responsibility for incident management. **Pre-requisites include ICS700, ICS800, ICS100, ICS200 and ICS300. Copies of these course completion certificates must be provided on or before beginning of class. You may email them to the address below.**

Special Notes
