**November 27- December 1, 2023**  
**Fayette County EOC**  
**115 Cisco Rd., Lexington, KY 40504**

### Course Description

This 5-day course serves as a basic introduction to the activities and processes of a Type 3 IMT. The overall goal of USFA's Incident Management Team (IMT) program is to develop state, regional, and tribal IMTs to function under the National Incident Management System (NIMS) during a large and/or complex incident or a major event. This course is designed for those who are assigned to function in a Type 3 IMT during a large/complex incident, typically extending into multiple operational periods. The Type 3 IMT can either support an existing ICS structure, or can assume command of an incident if requested to do so. The Type 3 IMT can ease the transition to a National IMT for large scale, long duration, or complex incidents. This course, also known as the All-Hazard IMT program, helps students gain understanding of IMT processes and functions. In addition, students increase their proficiency in the roles and responsibilities of IMT members during large or complex incidents. The 0305 Incident Management Team course focuses on the importance of developing and operating as a functional Type 3 IMT. The audience may include participants from a variety of agencies and functional disciplines, including fire service, law enforcement, emergency management, public works departments, as well as public health organizations, medical emergency teams, and hospitals.\*Please Note: **APPLICANTS WILL NEED TO SUBMIT THE FOLLOWING CERTIFICATES: NIMS 100, 200, AND 300. Class will start at 8 AM EST and end at 5 PM EST each day.**

### Student Criteria

This course is open to all Emergency Management, Fire, Emergency Medical, Fire, and Law Enforcement personnel or other organization having responsibility for incident management. Special consideration for CSEPP employees. Prerequisites include IS100, IS200, ICS300. Copies of these course completion certificates must be provided to the POC listed below prior to the class. \*\*Please see special notes under registration.

### Special Notes

A **MINIMUM # of twenty (20)** advance student registrations is **REQUIRED** and must be received by **November 20, 2023**. A **MAXIMUM Thirty (30)** will be accepted. You are considered accepted as a student in this class upon receipt of your application. Letters of acceptance may not be sent. You are considered accepted as a student in this class upon receipt of your application. Meals, lodging, and travel expense will **NOT** be reimbursed by KYEM.

### Registration

\*\*Please Note: Applicants need to complete a FEMA FF-USFA-FY-21-101 "General Admissions Application" form, print it, obtain the appropriate signatures, and scan the completed form. The scanned form should be forward by email to the agencies conducting the training. The completed FEMA FF-USFA-FY-21-101 should reflect completion of the course prerequisite classes. "General Admissions Application" form can be found at <https://training.fema.gov/apply/> Click here for registration: [https://forms.logiforms.com/formdata/user\\_forms/25701\\_7726379/383754](https://forms.logiforms.com/formdata/user_forms/25701_7726379/383754) Students will be notified if the course is canceled. For this reason, it is imperative that you provide accurate contact information. You will have to register for each class separately.
