Course Description

This twenty (20) hour course meets the minimum search management training requirement specified in 106 KAR 1:390 for local search and rescue coordinators. The class is designed for individuals responsible for investigating reports of lost or overdue individuals, and for initiating appropriate search responses. It is designed to provide a systematic and logical method whereby incident commanders and managers are able to make rapid decisions on tactics and the application of resources. **Class will begin October 19th at 8:30 a.m. and will end at 5:00 p.m. EST each day.**

Student Criteria

This course is open to all Emergency Management, Rescue, Fire, Emergency Medical, and Law Enforcement personnel or any organization having responsibility for searching for missing or lost persons. **Pre-requisite for this course is completion of the twenty (20) hour Basic Search and Rescue Course (BSAR). A copy of your BSAR course completion certificate must be provided before the class. Please reference your last name and which course you are registering for, then scan and email a PDF copy of the certificate to the POC listed below.**
