(G-205) Recovery from Disaster: The Local Community Role **September 03-04, 2025**

Crowne Plaza Louisville Airport Expo Center [KESC]
830 Phillips Lane
Louisville, KY 40209

Course Description

This course covers foundational concepts in disaster recovery and the latest guidance on recovery planning. Participants will either assess their own recovery plan or a sample against this national planning guidance. Following that, participants will discuss how a disaster recovery effort can be organized, managed, and led along with the types of challenges faced by recovery managers. Scenario activities throughout the course give participants the opportunity to target information strategies, and address local capabilities and challenges. **The class times at the conference will be TBA.** Please check conference itinerary.
