HazMat Technician
Saturday- Sunday
September 14–15, and 21-22, 2019
7:00am – 5:00pm (CST)
Calvert City Fire Training Center
C Avenue N.W, Calvert City, KY 42029

Course Description:
The 40-hour course provides HAZMAT Team members with the basic knowledge and skills to take appropriate offensive or defensive action that would require level A & B protection at an incident. Topics of instruction include: identification & classification of materials, selection of PPE, hazard & risk assessment techniques and advanced control & containment operations. Students will also acquire an understanding of basic chemical and toxicological behavior as well as how to function within the Incident Command System. Instruction will include classroom and hands on exercises.

Student Criteria:
This course is open to all Emergency Management, Rescue, Fire, Emergency Medical, and Law Enforcement personnel or any organization having responsibility for mitigation of a hazardous materials incident. Familiarity with SCBA is necessary. Students will need SCBA, mask and extra air bottle. Face shall be clean shaven in areas encountered by face mask seal. Students must also not have any medical problems, which would preclude them from participating in hands on exercises and MUST be at least 18 years old to register for this class. Pre-requisites: HazMat Awareness and Operations class would be beneficial to the student.

Special Notes:
Advance student registration is REQUIRED and must be received by September 01, 2019 in order to participate in this course. Meals, lodging, and travel arrangements/expenses are the responsibility of the student and will NOT be reimbursed by KYEM unless otherwise noted.

Registration:
Registration application for the course can be completed using the following link:
http://kyem.ky.gov/training/Pages/HazMat.aspx
Students will be notified if the course is cancelled. For this reason, it is imperative that you provide accurate contact information.
