LOCATION: Campbell County Fire Training Center
10 Training Center Drive
Highland Heights, KY

COURSE DESCRIPTION:

This T-T is to provide individuals with the need training to deliver the Hug-A-Tree and Survive Program (<http://www.nasar.org/education/hug-a-tree/>). This forty-five minute program was developed to educate children in a select few of the most basic and vital survival principles. It was specifically designed for children between the ages of 7 and 11 but can be effective with slightly younger and older children.

The program consists of a trained presenter—usually a search and rescue volunteer, police officer, park ranger, or similar uniformed individual—following a tightly scripted presentation that has three primary parts:

1. An introduction (of the presenter and program),
2. An entertaining video presentation for children, and
3. A few practical suggestions and demonstrations.

Many children are alive today because of their experience with the Hug-a-Tree and Survive program.

PARTICIPANT CRITERIA:

Participants should be a SAR Team member, fire fighter or police officer (VIPS).

PERQUISITE:

None

SPONSORSHIP: This Course is sponsored by the Campbell County Office of Emergency Management and Campbell County LandSAR.
