24 Hour Confined Space Technician Rescue Course

Green River Correctional Complex

1200 River Road, Central City

KY 42330

Monday-Wednesday, September 23-25

8:00am – 5:00pm CST

Course Description:

This 24 hour Confined Space Rescue Technician course will be taught according to the OSHA 29 CFR 1910.120, 1910.146, NFPA 350 standard and will include the Lock Out Tag Out OSHA standard 29 CFR 1910.147 standard. The class will provide personnel with the basic knowledge in the recognition of Confined space and permit entry confined spaces, identification, inspection, care, and use of equipment for rescue. Topics will also include but not limited to:

- Lock Out Tag Out
- Air monitoring
- Air exchange principles
- Patient packaging
- Victim rescue
- Legal concerns and all essential paper work included for entry into permitted confined spaces

Student Criteria:

This course is open to students that will or maybe called on to enter confined spaces for the purpose of performing rescue. Students need to be clean shaven in areas that will affect a mask seal. Student should have a familiarity with an SCBA. Student needs to be physically fit and must be able to do moderate work included in rescue operations. If possible but not necessary, the student may bring a personal Fall Protection Harness and SCBA that they will wear for conducting rescue operations for their respective agency. All training materials will be supplied.

Special Notes:

Advance student registration is REQUIRED and must be received by **September 9, 2019** in order to participate in this course. You are considered accepted as a student in this class upon receipt of your application by this office so you will not receive a letter acknowledging that acceptance. Meals, lodging, and travel arrangements/expenses are the responsibility of the student and will *NOT* be reimbursed by KYEM unless otherwise noted.

Registration:

Registration application for the course can be completed using the following link:

<http://kyem.ky.gov/training/Pages/HazMat.aspx>

Students will be notified if the course is cancelled. For this reason, it is imperative that you provide accurate contact information.
