

Kentucky Emergency Management (KYEM), Public Assistance Program is going to conduct Applicant Briefings in a different manner for DR 4630.

Due to the multiple events taking place over the past several weeks and multiple FEMA trainings (Debris, Procurement (PDAT) and Grants Portal) KYEM will offer the Applicant Briefing via a previously recorded webinar (March 2021 - DR 4595).

The webinar link below will be available for viewing from Wednesday, January 5 through Tuesday January 11, 2022. Applicants must register, however, can view anytime. Note: This will allow KYEM monitor Applicants participation.
